Georgetown Piled Us Errors to Their Opponent's Advantage.

MAHONEY WAS IN BAD FORM

Gala Occasion at Old Point-Many Ladies and Yards of Ribbon Blue and Ribbon Blue and Gray-Me-Laughlin's Three-Bagger-"Stub" Reardon's Double Play.

(Special to The Times.)

Fortress Mouroe, Va., April 8.-Hampton and Old Point Comfort today presented a scene of festivity. Every thoroughfare was filled with collegians and fair enthulasts whose floating ribbons manifested their Georgetown or En armiation, and additional presence of Uncle Sam's blue jackets made the day a gala one. Georgetown and Yale met in a struggle

that was perhaps the greatest college base-ball event of the season, and the outcome was disastrous for Georgetown. The boys in the pretty uniforms of blue and gray lost to the solid blue on errors. Georgetown hit the ball hard and timely, as they usually do, but the error summary mutely tells the tale of their defeat.

MAHONEY IN BAD FORM. Before the game was far advanced it was evident that Mahoney was not pitching his usual game, being unable to stand the tremendous strain of working against two teams like Princeton and Yale on suc-

lioth teams achieved the honor of making seventeen safe hits off such twirlers as Trudena and Mahoney.

Yale scored in their first inning on a base on balls, a steal, an error, and a hit by Greeniwan.

Georgerown was blanked in their half, Yale scored five runs in the second on our hits, an error, and a base on balls. Eli tallied five more in the sixth on four its and three errors.

GEORGETOWN PULLS EVEN. Georgetown tied the score in their half f the fifth when they added five runs to the two earned in the second. The inning closed with the score standing, Yale,

7; Georgetown, 7.
But the hope of victory was short lived.
Fale gradually pulled ahead on their hits
and Georgetown's errors until the first half

of the mith when the score stood 16 to 9.

Georgetown made a game struggle to win
out at their last chance at bat.

After Tracy had struck out in the ninth,
Maloney singled and Harley drove a double to right. McCarthy drew a base on balls and Maloney, Harley and McCarthy secred on McLaughlin's pretty three base hit. This closed the run getting.

REARDON'S NEAT DOUBLE.

One of the prettiest features of thegame was a double play on a clever pick up of a Twombley's hard hit grounder by Reardon, who threw to Fleming, cutting Bartlett out at second and the rouner was speedily retired at first.

Of course the several teams of "Young Napoleons" and "Hot Stuff, Jrs.," played on the vacant lots and made the air livid with baseball persinage and outdoor billingsgate. But their scores cut no figure in the trend of events.

President Young, of the National Baseball League, has issued a circular of instructions to League umpires as follows:

As the gentlemen selected to fill the positions or league imparts for 1846 are all men of large experience and mostly old league imparts, it seems almost unnecessary for me to issue new instructions. I desire, however, to call your special airmoon to the changes in the rules are lasten to fining and removal of players, and I shall insist that every umpire enforce, not only that, but every playing rule, both in letter and spirit.

and i shall insist that every umpire enforce, not only that, but every playing rule, both in letter and spirit.

If any rule is faulty, it can only be demonstrated by its strict enforcement. It is useless for one umpire to enforce the rules unless each ani every one does exactly the same. If you commence from the very first game to do your whole duty, you will have fittle trouble in doing so during the entire season, but if you on not, your trouble will have just elemenced, and your assetulness as an umpire practically at an end.

I have the utmost confidence in every one of the umpires, and I besieve that every decision rendered will be governed by his best honest judgment. In the discharge of your duty on the field, you all well know that you have my unqualified support, and you are also endified to, and I believe you will receive, the support of every league official.

Be courteous and polite to all players whenever you meet them, and I would advise that you avoid familiarity with any. With many it would be harmless, while with others it would be taken advantage of and destroy your usefulness in a very great over the state of the stat extent.

Do not be too hasty in rendering a decision, but I cannot too strongly impress upon your minds the importance of being prompt in doing so after you have formed an intelligent judgment. Even a very slight delay gives the audience the impression that you are in doubt.
